Celebrating 120 Years

Crafted for Coffee Lovers

Our story began in 1906 with a small tabletop and coffee shop on Bank Street in Ottawa. Four generations later, we're still family-owned and passionately committed to our business.

At **McIntosh Mugs**, we believe that the best things in life are simple. That's why our fine bone china mugs are designed to be functional and beautiful, durable, yet lightweight and built to withstand daily use.

Whether your customers are coffee connoisseurs or tea aficionados, we invite you to explore our selection and experience the difference that a McIntosh mug can make.
